Proceedings of the Meeting

The quorum being completed, the agenda points were taken up as follows. Please see the below point of discussion and announcements,

- DCI will now focus on those programs, where the maximum cafe points are allocated. Student Activities/Technical Talks and Installation of the Student Chapter will also be in the priority for the DCI from now onwards. Certificates for the K 12 Activity, organized by DCI on 15th August, need to send soon.
- Standard committee from Headquarter has Presented about the Standard applications and role in the HVAC industry, where Mr. Manjunath V. was the key presenter along with Ms. Nivedita Jadhav and Mr. S. K. Batra.
- Mr. Manjunath V. explored the six Key points to develop the Standard i.e., Transparency, Openness, consensus and impartiality, market relevance and effectiveness, Coherence and Development dimensions. Same has also defined and well considered by WTO as well.
- Mr. Manjunath V. told that Chillier Standard has been developed by ISHRAE on the year 2015 and same has been accepted by BIS as well. He briefly described about the chiller standard. Mr. Manjunath V. talked about the IEQ standard as well, which was developed in the year of 2016, and adopted by IGBC, GRIHA and worldwide. He told about the AHU standard also and the mechanical aspects as well. Going forward He talked about the VRF standard and commissioning standard as well and its applications. He told about the IIBEPS – ISHRAE India Building Energy Performance Standard, which is the upcoming standard led by Mr. Ashish Rakheja.
- Mr. Manjunath V. requested to DCI team to come forward and to be a technical volunteer for the ISHRAE Standards. Name for the volunteer for the same will be share soon by DCI to the HQ team.
- Mr. Ashish Gupta requested to Ms. Nivedita Jadav for sharing the flyer/video, which describes about the ISHRAE Standards. Same will be shared with DCI database. He also suggested HQ team to Explore all these standards with the PMO office as well to make them aware about all these developments.
- At the end DRY Run for the HVAC conclave has been experience very well and queries related to the exhibitors and visitors has been shorted out.

Finally meeting ended with the vote of thanks to the Chair.

Thanks & Regards.

Delhi Chapter of ISHRAE

K. D. Singh

President, DCI
